Cushions

Cushions add comfort and expression to the range of Arper collections, integrating color, pattern, texture, and drawing to the field. Graphic themes explore a range of expressions between geometric and organic, abstract and figurative.

Designer

Lievore Altherr Molina, 2013

Lievore Altherr Molina was founded by Alberto Lievore, Jeannette Altherr and Manel Molina in 1990. Their humanist design approach is informed by the fundamental desire for pure, beautiful forms derived from the constraints of function, technology and context. Distinguished by a multi-disciplinary method that engages furniture, interior, product, and package design, their work has been globally exhibited and acknowledged. They are the recipients the prestigious National Design Award (1999) in Spain where they practice and teach extensively.
