THE NO-LIMIT SITTING EXPERIENCE

By Terje Ekstrøm

1984

The iconic Ekstrem challenges conventional furniture, while still providing unparalleled comfort. A throwback to the eccentric 80s, the unexpected geometrics allow you to sit forward with feet on the ground,

sideways with legs calmly placed on the armrests, or completely backwards with the front of the torso against the chair's back. The Ekstrem is an ideal piece to spice up any interior.
