Soneo Wall

Funktionell kreativitet med ljudabsorberande fyrkanter. Soneo Wall är en enkelt och elegant system för väggpaneler.

Functional creativity through sound-absorbing squares. Soneo Wall is a simple and yet stylish system of wall panels.

Soneo Wall panelen är enkel i sin design, det är tyget som anger tonen för produkten.

The Soneo Wall panel is so simple in its style that it is the fabric that sets the tone of the product.

Produkten finns i ett brett spektra av färger, tyger och mått.

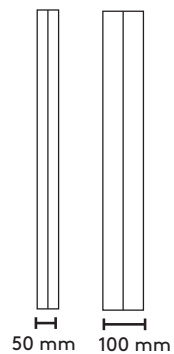

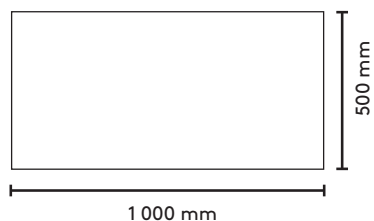

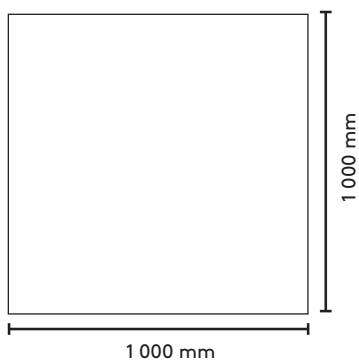

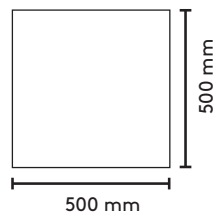

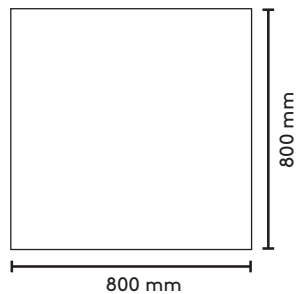

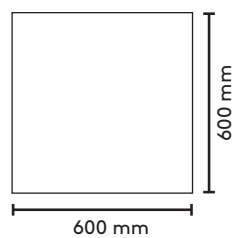

The product provides a wide range of variations in colours, fabrics and measurements.

Panelerna finns i flera storlekar och monteras med dolda beslag. Soneo finns även som golv- och bordsskärm.

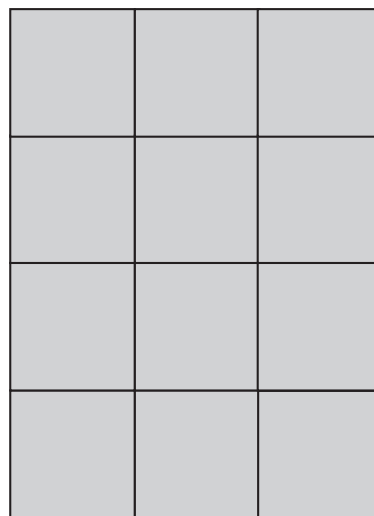

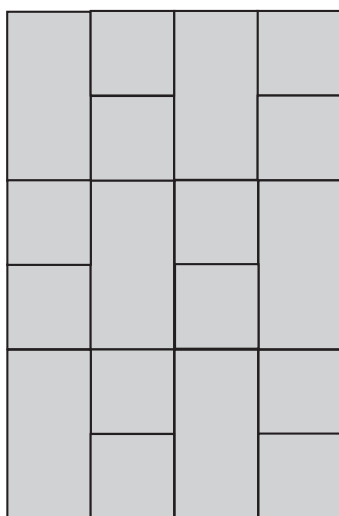

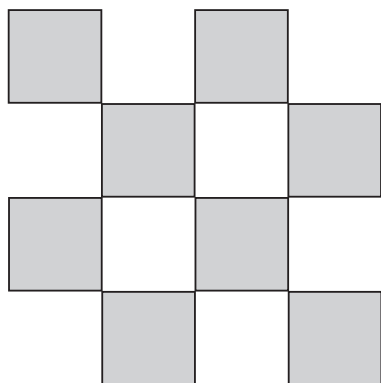

The panels are available in several sizes, and the mounting is hidden. Soneo is also available as a floor screen and as a table screen.
