Sean

Sean is a collection of sofas and a bench that combines generous, geometric volumes with slender, cast metal legs. With its compact size and comfortable cushions, Sean fits effortlessly in the home or common area.

Available in one-, two- and three-seat sofa and bench. Multi-density polyurethane cushions covered in fabric or leather mounted on lacquered cast aluminum base.

The Sean Collection is GreenGuard certified.

Designer

Jean-Marie Massaud, 2009

A multi-disciplinary practice devoted to brand, architecture, industrial and furniture design, Studio Massaud was founded in 1996 by Jean-Marie Massaud and Daniel Pouzet. Massaud's aesthetic is characterized by the quest for synthesis, lightness, and transparency and the reduction of the superfluous. The studio is an incubator for visual ideas that explore the delicate balance between the physical environment and the economic realities of contemporary experience. Studio Massaud is the author of many of our collections such as Aston, Sean, Fred and Ginger.
