TECHNICAL INFO

Structure – Base in powder coated steel in thermoreinforced polyester in white (RAL 9016), black (RAL9005) or silver (RAL 7004). Different base sizes available.

Table top – available in different measures, materials and thickness:

- Low Pressure Laminate (LPL) thickness 19 mm | 0.75" with 1,5 mm | 0.05" PVC edge, in white or black.

- 12 mm | 0.47" thick compact laminated table top. The edge can be in white or black. With a black edge, the surface of the tabletop can be white or black; for a white edge, it can be white.

- High Pressure Laminate (HPL) thickness 19 mm | 0.75" with 1,5 mm | 0.05" PVC edge, in white or black.

NOTE: The height of the table varies according to the thickness of the different table tops. The height indicated below refers to the Compact table.
