Kubik

Kubik är en modern disk med en stram och ren design. Disken kan användas som receptionsdisk alternativt bardisk.

Kubik is a desk with a clean, rational design. The desk can be used either as reception desk or as a bar.

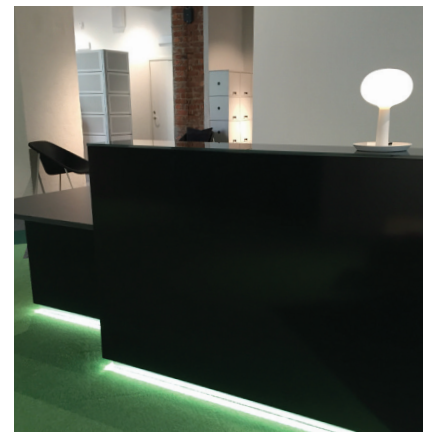

Stort urval av färger! Kubik är som standardmodell tillgänglig i vitt eller valfri NCS-kulör.

A variety of colours! Kubik is available as standard version in white or in an NCS S color of your choice.

Varför inte addera företagets logotyp på receptionsdisken? Disken finns i ett urval standardstorlekar men kan även måttanpassas efter behov.

Why not add your company logo on the front to accentuate your brand? There are standard models as well as custom-made desks according to the client's demands.

Diskens standardutförande: Front: lackad MDF. Topp- och arbetsskivor: laminat (Formica). Andra material mot förfrågan, t ex glas, trä och belysning.

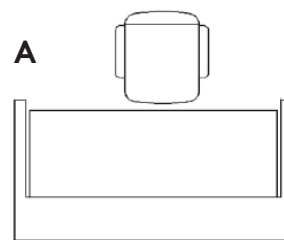

Desk standard performances: Front: lacquered MDF board. Top board: laminate (Formica). Other materials on request, for example glass, wood or lighting.
